## **Germ Germs Go Away**

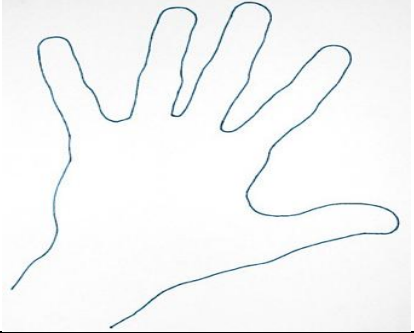

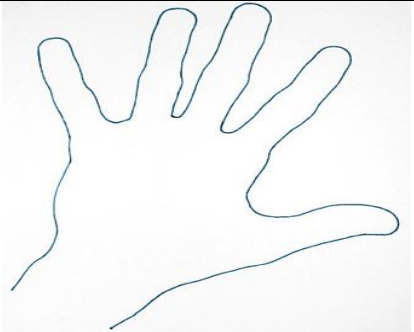

### **Focus Question:**

How many tries will it take to completely wash your hands?

### **Prediction:**

I predict that it will take me \_\_\_\_\_ time(s) to wash my hands completely free of germs.

### **Observation:**

| Trial | How Long Washing Your Hands | Amount of Germs   |
|-------|-----------------------------|---|
| 1     |                             |   |
| 2     |                             |  |
| 3     |                             |  |

### **Conclusion:**

It took me \_\_\_\_\_ to wash my hands clean of all the germs. I was \_\_\_\_\_ with the results. I learned that I need to \_\_\_\_\_ my hands to keep the \_\_\_\_\_ away.
